Revolutionary fire of the future
PANORAMIC FX1 WOOD BURNING

FUTURE FIRES

www.futurefires.co.uk

Futurefires presents a revolutionary design to the world of wood burning stoves- Panoramic FX1.

Panoramic FX1 with its advanced clean-burning technology is a traditional, clean and efficient way of burning fuel which can provide an effective source of heat. It can burn for longer and also comes with an optional multi-fuel conversion grate. Our stoves are easy to operate, clean and can be left burning for several hours before refuelling.

With a captivating and aesthetic design that will not only warm your space effectively but also becomes the centre of attraction of your living room. The elegant elliptical stove design with its extra large viewing window will suit all spaces and stuns from all angles and gives the appearance of a large open fire. And more interestingly, you can select the colour scheme of the front panels to match your decorations and furnishings.

We have designed Panoramic FX1 focussing on it being environment friendly. Our wood burning stoves come with an Airwash system that helps you take much less time when cleaning the stove. The Airwash technology stops the glass from getting tarred so the glass will stay clean even after many hours of usage.

We at Futurefires manufacture wood burning stoves by hand in the UK at our South Yorkshire factory. We make prompt deliveries on the date specified and will inform you prior for delays during peak seasons.

For the most contemporary and stunning wood burning stove on the market contact us now!!

WELCOME TO BRACKEN MOOR

Hello and welcome to our special pre-season programme. This is one programme for all 4 of our home pre-season games, kicking off with Belper Town, followed by Barnsley, Sheffield Wednesday and finally Glossop North End. We extend a warm welcome to fans of each club, and we hope you have an enjoyable visit and good luck for the upcoming season.

Our season now kicks off a week earlier with a home game in the FA Cup extra preliminary round on the 6th August. Let's hope we can start the season with a win. It has been 11 years since our last win and one of our goal scorers that day was Jack Muldoon who is now scoring for Harrogate Town in the football league.

The summer has been a busy one both on and off the pitch, we have a new look crest, new sponsors (with Roger working hard to secure more), new Umbro kits (details in this programme) and on the pitch we have seen a large change in playing personnel. We welcome all the new players and let's hope the new players gel and we hit the ground running in a very competitive league. We are very much the dark horse this year.

Let's hope our crowds continue to grow as we look for success both on and off the field. So, if you are a supporter of one of the areas league clubs then please consider watching Stocksbridge when your team are either away from home or not playing. Our gate receipts are one of our source of incomes for the football club, so the more supporters we can get coming through our turnstiles the better the position of our football club.

This season will see the NPL East Division at full capacity with 20 teams, that means 19 home games, so if you are planning on coming then consider a season ticket priced at £110 (which is less than £6 a game) or better still become a member and that price drops to £90 for season. As always U12's are free with a paying adult. Hopefully we can continue to build on last season's excellent home form and challenge not only for promotion but to bring the club some silverware.

I do hope everyone has an excellent season. One last note if you have any suggestions for the programme or website, please come and speak to me as always

CHAIRMAN'S MESSAGE

Hello and welcome to Bracken Moor for our series of home pre season games, I hope you are enjoying your summer and also enjoy our facilities at Bracken Moor today.

It has been a busy period recently with the amount of player comings and goings, it is inevitable that football players leave clubs for different reasons whether that is a wish to cut down on travel due to work commitments, an opportunity to move up a level, or for financial reasons, what I can say is players that have left the club have done so on good terms and we would like to thank them for their service and wish them well for the future. Looking to the future Ian is putting together a good squad of young players who should blend well with the experienced players who have stayed at the club.

Our small band of volunteers have also been busy trying to get jobs done around the ground, the period from our last game to the first friendly seems to get shorter every year and you might notice there is still work to do before the league campaign gets underway, we are always on the look out for extra help so if you think you could be of assistance contact Roger or myself.

Roger our commercial manager has been working extremely hard trying to replace our previous sponsor Eco-Power Who have moved on to be involved with Doncaster Rovers and we thank them for their contributions over the last two years. We are glad to announce that old friends Gen-Fab Fabrications have agreed to be our shirt sponsor for the next two years and we look forward to seeing Darryl and Jon at our games this season.

I would like to thank all our volunteers for their continued work at the club I can assure we are all working hard to keep taking the club forward.

I hope you enjoy today's game and look forward to seeing you at our games this season, thank you for your continued support and have a safe journey home.

Graham Furness

VIEW FROM THE BENCH

Welcome back to everyone connected to Stocksbridge Park Steels. I hope you have had a great summer and are looking forward to the football season as much as we are. We welcome Belper Town to Bracken Moor for our first home pre season game of the 2022-23 season. With that, we see a return of Luke Mangham, who was our player of the year, top goalscorer and captain last season. He is also a top lad with an unbelievable attitude and I know he will be a success at the higher level.

The close season has been a busy one on and off the pitch. On the pitch we have seen a number of players depart, some out of choice, some for better monetary offers and Luke and Nat to challenge themselves at a higher level. We thank them for their efforts during their time at the club and wish them well for the future. However, our complete focus is now on the returning players and our new recruits. We had a clear plan for the type of players we want at the club: younger, hungrier players who have either been successful at lower levels or come out of professional academies.

It is difficult to recruit when clubs around us and at this level have increased budgets and are offering players substantial amounts of money to play. We don't have that luxury and I want our spending to be sensible and sustainable, therefore the players who are here, are at the club for football reasons not financial ones. This excites me, as it means we can work together as a group to ensure we are competitive. I have a clear system and principles of play that I want us to follow, we have been using this early part of pre season to embed this with players both in training and matches. Pre season is a process and our aim is to keep improving performances individually and collectively. I have seen this in the 3 games played so far and the training sessions completed. What we are seeing as the main thread between all them, is a group of players giving 100% effort with the right attitudes to get better and to improve physically and tactically.

The new players who have signed are: Harrison Davison-Hale (GK), Bailey Tye-Baker (RB), Charlie Oglesby (CB), Mitch Langton (CB/CM), Cody Prior (CM), Luke Rawson (CF), Gaz Curtis (Forward), Tucker Poole (Forward). These join the 8 existing players from last season. We are currently still looking at trialists and hope to sign 3 more players before the season starts. It has been pleasing to see the U18s train and play in the opening game. They acquitted themselves well and will benefit from the experience.

Thank you to all our sponsors - new and returning and the hard work that Graham, Roger, Mick, Dave, Adam and all the other people behind the scenes who work tirelessly to ensure we have a progressive football club to be proud of. I'm excited for the season ahead and look forward to attendances and supporters continuing to grow.

Enjoy tonight's game and the upcoming pre-season fixtures.

All the best,

Ian Richards

WHO'S IN OUR LEAGUE THIS SEASON 22/23

As the new season approaches our league has seen a fair few changes over the summer. Promoted teams Liversedge and Marske United will ply their trade in the NPL Premier, coming down is Grantham Town. Frickley Athletic, Pickering Town and Yorkshire Amateur have been relegated into either the NCEL or Northern League. Coming up are Consett AFC and North Shields from the Northern League, Grimsby Borough from the NCEL and Long Eaton United from the United Counties League Premier Division North. Finally, Carlton Town have been moved sideways from the NPL Midlands into our league. This means a full league of 20 teams. 38 game season, 19 at home and 19 away. Again, this season we will also compete in the FA Cup, FA Trophy and the Sheffield Senior Cup. No league cup again. Below is each club and important details for you to familiarize yourself with:

STEELS DEFEATED IN OPENING PRE SEASON GAME

MATCH REPORT BY ADAM ALLCROFT

Stocksbridge Park Steels started their pre-season with a 4-2 loss against Handsworth. The Steels took the lead when a trialist curled a free kick in from a narrow angle. Handsworth equalised with a close range header from Dunne before a smart finish from Jimmy Ayles gave them the lead. U18 Ollie Nowack equalised before half time with a volley. In the second half, Dunne restored the Handsworth lead with a penalty kick before he ensured Handsworth's win with a close range finish.

It took only six minutes for Stocksbridge to get their first goal of pre-season. The Steels earned a free kick when Tomas Poole was tripped on the right hand side of the box. At first, it seemed like the free kick was going to be whipped in but instead, the trialist curled it and despite Ben Townsend in the Handsworth goal getting a hand to it, it hit the back of the net. However, Handsworth were able to completely come back with a two minute salvo. The first goal came from the Ambers' own free kick when the set piece was knocked into the box and headed back across the six yard box before it was knocked in at the opposite side of the goal by Dunne. A minute later, Handsworth were in the lead. Ayles was played through with a great ball and he finished smartly with a cross keeper shot past debutant Harrison Davison-Hale to put the Ambers ahead. Stocksbridge pressed for an equaliser. There was plenty of energy from the young Steels side, with Poole and Nowack working well on either wing with both of the trial full-backs supporting them as well. Nowack would have a shot from distance after worming away from his marker but it would be right at Townsend.

Nowack would get his goal though. A fantastic pass from Poole the right found Nowack with plenty of space as he broke into the box and the young winger hit a fantastic volley that left Townsend with little chance.

Handsworth did come close to restoring their lead just before the end of their half when a forward burst clear only for them to be stopped by Davison-Hale. The forward was able to gather the ball back and send it goalwards but the astro turf denied him as an awkward bounce stopped it going over the line, meaning both teams were tied going into the break. Stocksbridge put out an entirely different team in the second half. Kurtis Turner and Jack Tinker were the only players from last season in this side as it had a much more youthful look with many of Mark Fretwell's U18s side out on show. It was their first experience playing against senior players of this quality and they didn't look out of their place which was to their credit. They came close to taking the lead as well. After some good play near to the edge of their box, the ball was played to Stocksbridge's 14. He clipped the ball towards the goal and it smacked off the top of the right hand post, rattling the woodwork.

Unfortunately, Handsworth would be the team that got their lead back. A free kick was played into the box and a clash of bodies in the box led to the referee giving a penalty kick, though after a short delay. Dunne would step up and do a panenka penalty to beat the trialist goalkeeper who had guessed the right way. Handsworth would get their fourth and final goal of the game not that long after. A throw-in from the right went into the box and pass across the area found Dunne. He got himself into some space and was able to finish from the edge of the six-yard box, completing a pre-season hat trick. Stocksbridge did have a good end to the game and did have chances to get something back. They had a shot blocked on the line while another forward burst into the box only to hit the shot into the side netting. This would lead to the Steels losing their first friendly of pre-season, though the sight of many young players performing well would get Stocksbridge fans excited for the coming season.

STEELS IMPRESS IN DEFEAT AT BUXTON

MATCH REPORT BY ADAM ALLCROFT

Stocksbridge Park Steels continued their pre-season warm-up with a 3-0 win against Buxton FC. The match was hastily organised due to Stocksbridge's match against Parkgate being cancelled with Buxton also having their game against Stalybridge Celtic called off. Both teams' officials worked hard in order to ensure a pre-season friendly between the two sides was able to take place. Fans were rewarded with a fun run out between the two sides amid a pleasant Derbyshire evening. Buxton took the lead after 15 minutes when they caught Stocksbridge unaware with a quick free kick allowing Diego De Girolamo to finish. Just before the half ended, good play allowed a trialist to score for Buxton. In the second, a quick throw-in caught out Stocksbridge and allowed Jason Gilchrist to finish.

The Bucks started off as the better side, showing why they won the Northern Premier League last season. They came very close to drawing first blood from a corner. Sean Newton was completely unmarked in the box when the outswinger was sent in and he headed it just wide, giving Harrison Davison-Hale an early scare. Not long after, De Girolamo showed his threat by hitting the side netting from close range. De Girolamo soon found his goal. Buxton got a free kick around 40 yards out. Instead of the traditional boot into the box, they went quick and completely caught out the Stocksbridge defence who weren't expecting it. This allowed De Girolamo an acre of space and he duly finished to give Buxton the lead. Buxton continued to press as they looked to double their lead. It was actually the trialists looking to get a contract with the newly minted Conference side impressing, with one run ending with a shot going over the bar while another forced a good save from Davison-Hale. At the other end, Stocksbridge did show the odd bit of a threat though they struggled to break through the back five of Buxton. The closest Stocksbridge came was when a trialist broke out of a two-man press at the corner flag to get into the box but he could only hit it into the side netting.

Buxton would double their lead before the end of the first half. De Girolamo and a trialist played good football between each other and this allowed the trialist to break into the box with space. His shot wasn't the most powerful in the world with Davison-Hale getting a leg to it and Mitch Langton almost clearing it on the line, but it did eventually get into the back of the net. This meant Buxton had a two goal lead going into half time. Like the game at Handsworth, Stocksbridge would completely change their team at half time. The only player to stay on was Langton, who moved from central defence to central midfield. He'd later be replaced by Kurtis Turner, returning to the game after also playing in the first half. The Steels did show more attacking intent in the second half. Langton got Stocksbridge's first shot on target when he was able to get his foot around a throw-in from outside of the box. It was a powerful effort and it forced Buxton's trialist goalkeeper into a diving save. Clark Greaves, making his return to the first team after a long lay-off with injury, showed some pace and trickery to get into the box but there was a crucial tackle to stop him from getting a clear shot at goal. While Stocksbridge were growing into the game and looking like they could score, it would be Buxton who'd strike next. It was from a quick throw-in, taken before the Steels defence even realised it was in play. This allowed the ball to be played to Gilchrist in space who finished the game off as a contest. As the game continued, Stocksbridge did show plenty of bright moments that will give fans plenty of optimism for the new season. Good play from the Steels allowed the trialist to fire a shot just wide while they came closest when a Stocksbridge player's bullet header went just wide. This didn't mean defensive duties were ignored as the travelling side did have to clear one off the line, but it did show that Stocksbridge could get at a side who'll be competing with the likes of Scarborough Athletic and Kettering Town this season. In the end, Stocksbridge couldn't get the goal some of their hard work deserved and their tough warm-up match against Buxton would end in a 3-0 defeat.

STOCKSBRIDGE PARK STEELS LAUNCH NEW LOOK

Off the field we now have an excellent team of volunteers lead by Chairman Graham Furness and Vice-Chairman Roger Gissing, and a group of talented people skilled in numerous roles across the club, without the volunteers who work tirelessly behind the scenes to give the Stocksbridge Community a football club it can be proud of.

With our first team playing at step 4 in the Non-League pyramid right through to the juniors. The club led by Development Officer Dave Rhodes now has a clear pathway for players to progress from our junior ranks right through to our first team and beyond. The club has produced plenty of players who have gone on to play professional football including Lee Mills, Simon Marples, Harrison Biggins and the most famous of them all Jamie Vardy.

Last year saw the arrival of Ian Richards (an ex-junior player) take over as first team manager and this summer is his first pre-season with the club, along with his management team have a big summer to get the team ready for what promises to be another competitive NPL East Division, the clubs long term goal is to be back playing at step 3 in the NPL Premier. We are working tirelessly to bring new revenue to the club, and will be announcing several new partnerships over the coming weeks. With all the changes, it's time to bring in a new identity and we will be moving our brands to reflect the current trends within the football market, we will start with the new crest to replace our old round one that was looking very dated.

The club have gone for a sleek shield crest with the iconic Stocksbridge Clock Tower and our now famous SPS, along with the year we were formed underneath. The club feels this embodies the club and how it is embracing change and a new future.

- Luke Mangham (signed for Belper Town)
- Nick Guest (signed for Dearne & District)

STEELS ANNOUNCE GEN-FAB LIMITED AS SHIRT SPONSOR

After the news that we had lost title sponsors Eco Power, the club has been working hard to secure new sponsorship and thanks to the hard work of Roger and Co, we are delighted to announce our new shirt sponsor.

Stocksbridge Park Steels are pleased to announce Gen-Fab Limited have agreed a 2 year deal to sponsor the Steels first team playing kits.

When we approached Darrell and Jon they had no hesitation in helping the club, we had had great support from this business over a lot of years, and this deal cements another chapter in our working partnership.

Both the new Home and Away kits will display the Gen-Fab logos

Thank you Darrell and Jon, we look forward to seeing you at the stadium

DAVISON-HALE IS NEW STEELS NUMBER ONE!

Stocksbridge Park Steels have made Harrison Davison-Hale their first signing of the summer. The 21-year-old goalkeeper has already gained plenty of experience in non-league football. After coming through the Huddersfield Town academy like former shot stopper Michael Roxburgh, he had loan spells with Liversedge and Mickleover. After his release from Huddersfield, he'd sign for Halifax Town before moving on to Tadcaster Albion. He would play for Tadcaster in their 2-0 loss against the Steels in September 2021.

Davison-Hale moved from Tadcaster to Hemsworth in January and would be their number one for the rest of the season. He impressed towards the end of the season, picking up three clean sheets out of the last four games.

RAWSON SIGNS ON FOR STOCKSBRIDGE

Stocksbridge Park Steels have signed Luke Rawson. The 21-year-old striker came through the Chesterfield academy and was hailed as one of its top prospects after he started playing for their reserve side as a 16-year-old. Even as a teenager, he was a big winner as he won the Chesterfield School's Football League four years in a row while at Parkside Community School.

While at Chesterfield, he went on loan to several non-league clubs such as Matlock Town, Brighouse Town and Alfreton Town. In 2021, he then signed for Bradford Park Avenue. He scored four goals in 19 games while in West Yorkshire and also made a brief return to Sheffield FC.

Rawson now signs for Stocksbridge and will be looking to lead the line this season.

LANGTON 1ST OF 4 NEW PLAYERS FROM STAVELEY MW

Stocksbridge Park Steels have completed the signing of Mitch Langton. The 24-year-old midfielder, who can also play in defence, has previously played for North Ferriby United. He would then move onto Staveley Miners Welfare, where he was at most recently. He played regularly for them as they challenged for a place in the play-offs.

Following Staveley's voluntary relegation from the NCEL Premier Division, Langton has now joined Stocksbridge and will be a great option for the team going forward into the season.

OGLESBY FOLLOWS LANGTON

Stocksbridge Park Steels have completed the signing of Charlie Oglesby from Staveley Miners Welfare. The 25-year-old defender could very easily have been dubbed as Mr Staveley for his loyalty to the NCEL side. He has been with them for over six years and has been a rock in their defence during that time. Last season despite being a defender, he was able to score four goals.

Now though, Oglesby has left Inkersall Road and will be signing on with Stocksbridge this season. He will be looking to bring the same resolve he showed while at Staveley which should quickly make him into just as much a fan favourite at Bracken Moor as he was at his former team.

STEELS MAKE A SPLASH BY SIGNING POOLE

Stocksbridge Park Steels have made Tomas Poole their third signing from Staveley Miners Welfare. The 30-year-old winger is experienced at all levels of non-league football. He has previously played for the likes of Rainsworth Miners Welfare, Worksop Town, Matlock Town and Clay Cross Town. He was in his second spell at Staveley last season where he scored nine goals.

Poole will be joining the likes of Charlie Oglesby and Mitch Langton by signing with the Steels. He'll be adding plenty of threat on the wing for Stocksbridge in the coming season.

STEELS GO FOR UMBRO

The double-diamond comes to Stocksbridge

The Club can confirm that it has entered an initial one-year partnership which will see Umbro become Steels main kit supplier through DB Sports based in Sheffield. Umbro had provided kits for the many famous clubs but never Stocksbridge. Steels will don the distinctive double-diamond again beginning in the 2022/23 campaign, while Umbro will also supply the Steels with replica and training wear through DB Sports.

Umbro will also be the main kit supplier for the clubs other senior sides including our U18's

Roger Gissing, the clubs commercial manager, said: "We are delighted to partner with Umbro for the upcoming season and beyond.

"Umbro has excellent credentials having created high-quality kits for clubs all around the world. We are looking forward to showing our fans the eye-catching, bespoke design Umbro has produced for the club.

"We have high ambitions as a club, and we know that Umbro will be the perfect kit to support us in pursuit of our goals. Many thanks to Dave Barker from DB Sports who has supported our club for many years with our kit and using Umbro through his company is just the next step in our long term partnership"

STEELE FC GOES GOLD & CONTINUES SPONSORSHIP

Stocksbridge Park Steels are pleased to announce that Steele Kratt has become our latest Gold Club Member, Steele a New York musician has kindly agreed to continue his Sponsorship of our very successful Under 18 squad, Steele also runs his own football club in New York and has become a great friend of ours, although from a distance, we do hope he maybe able to catch a game or 2 this year, if the bands tour of the UK goes ahead

THANK YOU STEELE

My name is Steele and I am a musician, and an obsessive of football (or soccer, ha-ha). I was born, raised, and reside in New York City America, I have grown up playing in bands, most notably a group called The Britanys.

We spent a lot of time in the UK, and while on tour I discovered the Steels Football Club, I had previously been in touch with the club about purchasing a Steels jersey, due to the striking similarity of our names. In the time since, I have transitioned from behind the drums to the front of the stage.

My new project, Steele FC, is a solo venture with inspiration drawn from New Wave and Manchester, My live band is composed of my best friends and Sunday league teammates (one is a Yorkshire boy!). We play against teams with other New York based musicians, and when we aren't playing music or sport, we are arguing about it in group chats. The other month, from a bolt from the blue, I decided that I wanted to find a way to sponsor a shirt for The Steels, It felt like a shot in the dark, but when I spoke on the phone with the club, they let me know there was an opening to sponsor the Under 18 side, I was thrilled.

To be able to provide kits for the academy of a community based club is a very special feeling, I am excited to be a part of the long lineage of musicians sponsoring local teams, and am honoured to be able to support a youth side.

U18'S REVEAL 3 NEW SPONSORS

Stocksbridge Park Steels are pleased to announce that our Under 18s side has not completed a full house of sponsorship, after yesterdays great news that American Musician Steele Kratt (Steele fc) was renewing his agreement to continue as the sides main sponsor.

We have also agreed partnerships with Aspire Ltd of Sheffield who are back for a second year, and we wish to thank Lynne Allan the CEO for her support. We also welcome Autoways accident repair centre of Sheffield, and owner Craig Hatfield for their contribution in sponsoring the U18's.

Finally we welcome Air-Flow Industrial Ovens again from Sheffield who have also made a financial commitment to support the young Steels.

Roger Gissing Commercial Manager for the club said "It's amazing how businesses come through with these financial offers to help the club, even in these difficult times we are so grateful for the support"

Thank You all for your support

LIMITED EDITION JAMIE VARDY SHIRT

Stocksbridge Park Steels have launched a limited edition Jamie Vardy football shirt. The shirt is inspired by the one he wore when he made his name under Garry Marrow and the photo of Jamie in this kit is still used around the world today. The club have been asked on numerous occasions if we can sell it and now we can.

Through the club website or via Roger on match days we are selling current stock and have ability to order more. The shirt has sold worldwide with shirts going to the USA and also the Far East.

We are doing children sizes from 120cm through 160cm and adult sizes from small to 4 extra large.

The shirts are £39.99 and if you require UK shipping then it's £4.99. Don't miss out on a piece of Stocksbridge history and order yours today.

STEELS CONCEDE LATE EQUALIZER

MATCH REPORT BY ADAM ALLCROFT

Stocksbridge Park Steels were denied their first pre-season win in two years after Emley equalised late on in a 2-2 friendly draw. Emley took the lead in the first half when a long ball found Iwryah Gooden who duly finished.

Stocksbridge levelled before the end off the half when a trialist scored from the spot. In the second half, Stocksbridge took the lead through a powerful finish from Luca Defalco. Emley unfortunately got a late equaliser when Joe Jagger lobbed the trialist goalkeeper in the 89th minute.

Stocksbridge had an early shout for a penalty. A trialist winger broke into the box and seemingly went down after an Emley player tripped him. The referee thought he went down too easily though with the official deciding to admonish the winger rather than point to the spot. Emley had the better of the game but struggled to break down a stubborn Steels defence which saw Mitch Langton and Charlie Oglesby play together in defence for the first time in Stocksbridge yellow. But eventually they did. A long ball was sent over the top and head over the top of the Steels defence. Gooden latched onto it and would finish past Davison-Hale to give Emley the lead.

Stocksbridge were able to get one back though before the end of the first half. The trialist winger broke into the box from the left and this time, the referee was given no doubt as the defender took him out with a sliding tackle. The trialist left-back, who also scored at Handsworth, stepped up and was able to tuck it away well despite the keeper Sam Kelly getting a hand to it. This meant Stocksbridge were level going into the half.

Once again, Stocksbridge had a completely different side going into the second half, with only Ross Goodwin staying on, though he shifted back to central midfield after playing up front in the first half. Emley started off the brighter with Alex Metcalfe's position from a narrow angle forcing the trialist goalkeeper to punch it away at the near post.

After this, Stocksbridge took control of the game and looked to be the better team. The front three of Clark Greaves, Luca Defalco and a different trialist winger caused a lot of problems for the Emley defence. Greaves' cross was slammed wide by Goodwin while Defalco forced an impressive save from Kelly with a near post header to show how the Steels were looking likely to get a goal. Emley should have had the lead though. A long ball went through to an Emley forward and he was initially denied by an impressive save from the trialist goalkeeper. The ball fell back to him with the goal at his mercy but somehow he would blast the ball over.

Stocksbridge would then be able to go up the other end and score. After putting intense pressure on the Emley defence, a Steels ball found Defalco in the box who then hit a powerful finish in order to give Stocksbridge the lead. The Steels almost had a third right after as well. Defalco forced another save from Kelly while Alex O'Connor flighted a free kick just over the bar. It was looking good for Stocksbridge.

However, they'd be punished for not killing the game off. A long ball from Kelly went over the Stocksbridge defence and Jagger was able to get through, lob the goalkeeper and grab the draw for Emley. While it was certainly an impressive performance in the second half for the Steels, they may be disappointed not to have the win.

STOCKSBRIDGE PARK STEELS PEN PICTURES 2022/23

As we enter a new era at Stocksbridge we have a lot of new players, as such for the pre-season programme I decided to use our usual section introducing the away team to introduce our current squad. Keep an eye on our website and we will be adding photos of players in the new kit soon. Big thanks to Adam for helping comply the information for the club.

HARRISON DAVISON-HALE (GOALKEEPER)

Age: 21

DoB: 17/12/2000

Former Clubs: Huddersfield Town, Liversedge, Mickleover, Halifax Town, Tadcaster Albion, Hemsworth Miners Welfare

Bio: Signing in the summer of 2022, Davison-Hale is a 21-year-old goalkeeper who came through the Huddersfield Town academy before dropping into non-league where he has quickly become a proven shot stopper at the Northern Premier League level.

BAILEY BAKER (DEFENDER)

Age: 19

Former Clubs: Peterborough United, St Ives Town, Barnsley Shadow Academy, Spalding United, Lincoln United

Bio: Signing in the summer of 2022, Baker is a lively full-back that looks to complement his defensive work with adding to the attack. He won the U23s Manager's Player of the Year Award when with the Barnsley Shadow Academy as well as winning the league with them.

JORDAN LEMON (DEFENDER)

Age: 27

Former Clubs: Chesterfield, Worksop Town, Lincoln United, Spalding United, Matlock Town

Bio: Lemon is a right-back who has been featured in Team of the Years before. He signed for the Steels at the end of 2018 from Matlock Town and has been a regular in the first team ever since.

CHARLIE OGLESBY (DEFENDER)

Age: 25

Former Clubs: Staveley Miners Welfare

Bio: Signing in the summer of 2022, Oglesby had been a long term player for Staveley and had become a legend for the Chesterfield based side. He now looks set to be a key part of the Stocksbridge defence.

MITCH LANGTON (DEFENDER)

Age: 24

Former Clubs: Hull City, Missouri State, Athletics, Staveley Miners Welfare

Bio: Signing in the summer of 2022, Langton joins several players who made the move from Staveley to Stocksbridge. His versatility will benefit the squad as he is capable of playing in both midfield and defence.

HARRISON FOULSTONE (DEFENDER)

Age: 20

Former Clubs: Sheffield United, Gainsborough Trinity, Shippensburg University

Bio: Re-signed in February after a spell in the USA on a scholarship. He made one appearance for us in the ill-fated 2020/21 season. Before that was on the books at Gainsborough Trinity and started at Sheffield United where he was part of the successful youth team.

JACK TINKER (DEFENDER)

Age: 22

Former Clubs: Shelley FC, Barnsley Shadow Academy, Brighouse Town, Humber United

Bio: Signed in October 2021 from Brighouse Town. A young full back who can plan on either flank. Has played for Shelley FC in the NWCL and also was part of the Barnsley FC Shadow Scholarship.

CLARKE GREAVES (DEFENDER/MIDFIELDER)

Age: 23

Former Clubs: Maltby Main

Bio: The full-back, who can also play as a winger, returned to the club this summer following an injury which ruled him out of the entirety of the 2021/22 season. When playing at his best, teams will struggle to deal with him.

ROSS GOODWIN (MIDFIELDER)

Former Clubs: Rainworth Miners Welfare, Staveley Miners Welfare, Sheffield FC, Worksop Town Bio: Goodwin is coming into his fourth season with Stocksbridge after signing for us in 2019, finally completing a full season last season. He is a central midfielder is known for his tough tackling and work rate.

KURTIS TURNER (MIDFIELDER)

Age: 29

Former Clubs: Barnsley, Mansfield Town, University of South Carolina, Penistone Church

Bio: Kurtis Turner re-signed for Steels as Ian Richards' first new signing, the ex Barnsley midfielder had enjoyed a brief spell at local rivals Penistone Church.

ALEX O'CONNOR (MIDFIELDER)

Age: 21

Former Clubs: Hyde United, Barnsley Shadow Academy, Brighouse Town

Bio: Autumn 2021 signing for Yorkshire rivals Brighouse Town. Has previously played for Hyde and was part of Barnsley's Shadow Scholarship scheme. O'Connor was actually raised in Australia and attracted headlines as a youngster for his talent and ambition to become a professional player. He was coached in the AC Milan academy in Australia by former Italy international Andrea Icardi who said he had unlimited potential.

JOSH MILLEN (MIDFIELDER)

Age: 20

Former Clubs: Rotherham United, Grantham Town

Bio: The 19-year-old midfielder, who can also play at both full-back positions is a graduate from the Rotherham United academy but was released from the Millers this summer. As well as receiving a trial from Brentford, Millen spent some time with our first team in pre-season, playing in the friendlies against Stockport Town and Maltby Main. He was then signed by our reserve team before moving to Grantham Town for a short period of time.

CODY PRIOR (MIDFIELDER)

Age: 22

Former Clubs: Doncaster Rovers, Nuneaton Boro, Frickley Athletic, Sheffield, Staveley Miners Welfare

Bio: Joining in the summer of 2022, Prior joins a cohort of other Staveley players who have made the move to Stocksbridge. He becomes the first Irish player to play for the club

TOMAS POOLE (MIDFIELDER)

Age: 30

Former Clubs: Rainworth Miners Welfare, Worksop Town, Matlock Town, Clay Cross Town, Staveley Miners Welfare

Bio: Joining in the summer of 2022, he came across to the club with several other Staveley players. He's a tricky winger who is a proven player in the Northern Premier League.

BEN PARTRIDGE (FORWARD)

Age: 24

Former Clubs: Chesterfield, Ollerton Town, AFC Mansfield, Handsworth, Harworth Colliery

Bio: Partridge has played for clubs such as AFC Mansfield, Handsworth and Harworth Colliery before signing with Ollerton. When he was at Mansfield, he played under Stocksbridge legend Mark Ward. He primarily plays as a striker but can also be used as a winger. He joined from Ollerton Town this season, scoring seven goals in 21 appearances.

LUKE RAWSON (FORWARD)

Age: 21

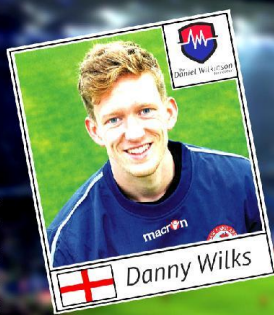

Former Clubs: Chesterfield, Matlock Town, Sheffield, Brighouse Town, Handsworth, Brighouse Town, Alfreton Town, Bradford Park Avenue

Bio: Joining in the summer of 2022, Rawson comes to the club as a highly respected striker who got rave reviews while playing for Chesterfield in the National League. He joins the club from Bradford Park Avenue.

GARETH CURTIS (FORWARD)

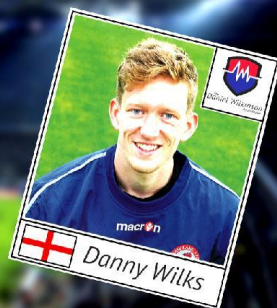

Former Clubs: Eastwood, Sherwood Colliery

Bio: Hotshot striker who regularly scored 20+ goal seasons while at Sherwood, including helping them to a historic FA Cup run last season. Will be looking to replicate those seasons while at Bracken Moor.

The
Daniel Wilkinson
Foundation

*Providing Screening and Defibrillators to
prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

Every week in the UK at least 12 young people die of undiagnosed heart conditions. Cardiac Risk in the Young (CRY) aims to reduce the frequency of young sudden cardiac death (YSCD). CRY supports young people diagnosed with potentially life-threatening cardiac conditions and offers bereavement support to families affected by YSCD. CRY promotes and develops heart screening programmes and funds medical research. CRY publishes and distributes medical information written by leading cardiologists for the general public. CRY funds fast track referral, screening and cardiac pathology services at leading UK hospitals.

PRIOR FINAL PLAYER TO JOIN FROM STAVELEY MW

Stocksbridge Park Steels have signed up Cody Prior. The 22-year-old midfielder started his career with Doncaster Rovers and played for their first team in the Checktrade Trophy in 2017. He would go on to have loan spells with Nuneaton Boro, Frickley Athletic and Sheffield FC.

He'd make that loan move to Sheffield FC permanent before moving on to sign for Staveley where he became a regular until the end of last season. Now, he moves here to Stocksbridge and will be looking to be a rock in the middle of Steels' midfield.

17 GOAL CURTIS SIGNS FROM SHERWOOD

Stocksbridge Park Steels have signed Gareth Curtis from Sherwood Colliery.

The striker has been one of Sherwood's top scorers over the last few years. While he had a brief spell away from the club when he joined Eastwood for two months, he has spent most of his time in football by regularly scoring for Sherwood. Last season, he scored 17 goals last season, a highlight of which was when he scored an equaliser against Buxton to force a replay in the FA Cup.

Now, he'll be joining Stocksbridge and had his first introduction to Stocksbridge fans last night when he played in the second half of the friendly against Handsworth. Fans will be looking forward to seeing Curtis test himself in the Northern Premier League and continue his goalscoring form at this level.

COUNTY SENIOR NEWS

Our reserves will once again compete in the Sheffield County Senior League for 22/23. The new EV2 Sheffield & Hallamshire County Senior League will kick off on Saturday 3rd September. The constitution and league line-up was signed off at the AGM last night.

Eight new clubs were all accepted into Division Two. Whilst the league campaign begins in September, clubs will take part in the early rounds of the League Cups during August. The controversial wildcard rule remains in place.

Revolutionary fire of the future
PANORAMIC FX1 WOOD BURNING

FUTURE FIRES

www.futurefires.co.uk

Futurefires presents a revolutionary design to the world of wood burning stoves- Panoramic FX1.

Panoramic FX1 with its advanced clean-burning technology is a traditional, clean and efficient way of burning fuel which can provide an effective source of heat. It can burn for longer and also comes with an optional multi-fuel conversion grate. Our stoves are easy to operate, clean and can be left burning for several hours before refuelling.

With a captivating and aesthetic design that will not only warm your space effectively but also becomes the centre of attraction of your living room. The elegant elliptical stove design with its extra large viewing window will suit all spaces and stuns from all angles and gives the appearance of a large open fire. And more interestingly, you can select the colour scheme of the front panels to match your decorations and furnishings.

We have designed Panoramic FX1 focussing on it being environment friendly. Our wood burning stoves come with an Airwash system that helps you take much less time when cleaning the stove. The Airwash technology stops the glass from getting tarred so the glass will stay clean even after many hours of usage.

We at Futurefires manufacture wood burning stoves by hand in the UK at our South Yorkshire factory. We make prompt deliveries on the date specified and will inform you prior for delays during peak seasons.

For the most contemporary and stunning wood burning stove on the market contact us now!!
